**AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This Amendment is submitted in response to a fifth non-final office ("Fifth Office Action") dated July 26, 2005, in which the Examiner rejected pending claims 1-21 as obvious (35 U.S.C. §103) over prior art. On November 3<sup>rd</sup>, the attorney for Applicants and the Examiner held a phone interview discussing the claims. The Examiner and the attorney discussed certain amendments to the claims that the Examiner indicated he would enter and that he said appear to distinguish over the cited art. Applicants amended independent claims 1, 2, and 15 to include the discussed requirements. Applicants traverse the prior art rejections with respect to the amended claims and submit that all pending claims 1-21 are patentable over the cited art for the reasons discussed herein.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2.

**Remarks/Arguments** begin on page 8.
